

Members' Day and Branch AGM

All members of the Branch are warmly invited to attend this year's Members' Day and Annual General Meeting at Littleton Memorial Hall on **Sunday 17 November 2019**.

Our guest speaker will be **Penny Green**, the ecologist at Knepp Estate, who will tell us about the Knepp Rewilding Project, sharing its journey and the extraordinary results of the project so far, with some headline success stories including nightingales, turtle doves and purple emperors. We will also be reporting on Conservation in Practice by way of two case studies. Plus, by popular demand, a short presentation on gardening for our butterflies and moths.

A timetable is shown below and there is a link to a location map on the next page.

Members are asked to bring a packed lunch to the meeting. There will be a break after the formal business of the AGM itself for these to be eaten with the opportunity for some mingling with fellow members.

Members Photographic Competition

Prints will be displayed and judged in the following categories:

- UK Butterflies
- UK Moths
- Immature stages
- Overseas butterflies and moths
- First time entrants on any of the above topics

All members entering images into the photographic competition do so on the following terms and conditions:

1. Image(s) must have been taken by themselves during the 18 months preceding entry into the competition.
2. Entrants agree that their images may be used for non-commercial purposes by the Branch. This includes publishing images on the Branch website, social media channels and in the Branch Newsletter and Annual Butterfly and Moth reports. Copyright will remain with the member at all times and will be acknowledged when images are used by the Branch.
3. All images must be prints not exceeding A4 size (297x210mm) in either landscape or portrait format and may be mounted or unmounted.
4. Entries are limited to three per entrant.

All members attending the meeting will be invited to complete a voting slip to identify their favourite image in each category and to choose their overall winning entry. The results will be collated and the winner announced at the end of the meeting

First-time entrants

Following the success of this element of the competition in recent years and to encourage new member entries and to coax the shy and retiring photographers among you, we will be continuing with the category for images submitted by first-time entrants but otherwise on the same conditions as above.

Members unable to attend the day but who wish to submit prints may do so by posting them to **Sharron and Rupert Broadway, 18 Lark Hill Rise, Badger Farm, Winchester, SO22 4LX**, to arrive by **Saturday 16 November**. Please ensure that you enclose a stamped addressed envelope if you wish your prints to be returned.
