

Isle of Wight Butterfly Conservation Field Trips, 2025

**Note. Locations are defined by grid references and by the
what3words app**

Saturday 16th August

Leader: Emma Brown (07817 504992)

Location: PO36 0ES, SZ601867, ///divisible.vibrate.cleanser

Target species: Chalk Hill Blue, Brown Argus

Directions: Meet at the most easterly chalk car park, on the Downs Road, where the ice-cream van often is.

Notes: Downland walk, some steps, steep in places and uneven ground. Please wear sturdy shoes.

Saturday 6th September

Leaders: Graham Sherratt (07944 0290560)

Location: PO31 8NJ, SZ453931, ///vines.eternity.annual

Target species: Clouded Yellow, Wall, Brown Argus, Small Copper

Directions: Meet at the fields at the north of the caravan park. Park on the side of the road.

Notes: Field walks, some uneven ground, so please wear sturdy shoes.
